

**Five networking events that I would like to attend:**

**1. Mock Interviews with Hiring Managers for Software Engineering Positions**

<https://www.meetup.com/qadev-Austin/events/276759405>

**2. Most In-Demand Coding Skills Entrepreneurs Need In 2021**

<https://www.meetup.com/hackreactoratl/events/276066845>

**3. Happy Hour and Code: Coding Languages and Their Uses Explained**

<https://www.meetup.com/GA-Houston-Coding-Data-Design-Digital-Marketing/events/274774525>

**4. Austin Code Mentorship (Virtual)**

<https://www.meetup.com/Austin-Code-Mentorship/events/276778767>

**5. Learn To Code: Recursion in JavaScript [Live-Online]**

<https://www.meetup.com/Learn-to-Code-Austin/events/276534553>

**Choose one upcoming event that you plan to attend:**

**Mock Interviews with Hiring Managers for Software Engineering Positions**

**Set a concrete game plan/ goal for the event:**

Have an anonymous, mock interview session with the hiring managers they have available. By receiving this feedback, I can tailor my responses for the future.
